## Eastern Shore Toyota

Eastern Shore Toyota is a new “point” for Southeast Toyota. The project is located on I-10 at the “Malbis” exit, east of Mobile. The 85,000 sf facility includes a full service department with 30 stalls and a 4 bay quick lube with full basement, 20 ft. high showroom, administrative, retail, parts storage, 130 ft long car wash tunnel, three bay drive-thru detail department, and five individual detail stalls. The site is 16.5 acres and has 912 parking spaces with 754 dedicated to inventory. Construction was completed in December 2007.
