

James E. Latham

# Lake View Elementary School

Lake View Elementary serves the communities of Lake View, Bucksville, Tannehill, Caffee Junction and Woodstock in the eastern end of Tuscaloosa County. This 90,000 sf facility was built on a new bypass road connecting Interstate exits #97 and #100. The design is based on the styling cues from the nearby Historic Tannehill Ironworks.

Owner: Tuscaloosa County Board of Education  
Architect: Ellis Architects, Inc.  
Contracting Method: Construction Management
