

James E. Latham

McKinnon Toyota Scion

The new Toyota Dealership for Clanton, AL will be built just off of Interstate 65 at exit #212 across from the 100' high "peach" water tower. It is based on the new prototype building for the national Toyota corporate design. The site will house over 400 cars and about 35,000 SF of showroom, service, parts, on-site carwash and other support facilities.
